

The Chung Yuan Christian University Development Foundation of North America (CYCUDF-NA) is a U.S.-registered nonprofit created by CYCU and its North American alumni. It provides an easy and secure way to make tax-deductible donations to support the university's growth and future development.

A small fee helps the foundation to manage donations: **5% for gifts up to \$30,000**, or a **\$1,500 flat fee for larger gifts**—with a **yearly cap of \$20,000**. Any extra is donated back to CYCU.

The scholarship donation is waived for processing fee.
